Sir,

Sub: ELEMENTARY EDUCATION - Aided Schools - acquisition of land for play-ground - Uchil Bovis' Higher Elementary School, South Kanara District - Payment of grant

--

The above mentioned school has acquired through the Revenue Department an extent of land measuring 2.09 acres at a cost of Rs.2,646-11-9. The award certificate issued by the Revenue Department has also been submitted to me by the Correspondent of the School. Though the cost per acre is within the prescribed limit as per G.O.Ms.3264 Education, dated 26-10-49, the extent of land has exceeded the limit by .09 acres. The school possesses already a play-ground area of half of an acre and perhaps the acquisition now of 2.09 acres in addition need not be objected to save that small excess of 9 cents over and above the maximum limit of 2 acres which has to be ignored for purposes of Government grant. On the basis of the rate of acquisition the admissible extent of land viz. 2 acres comes to Rs.2,533/-. I have accordingly placed the scheme for the purchase of the play-ground in the approved list at a cost of Rs.2,533. I request that Government may be pleased to authorize me the payment of Rs.1,267/- on behalf of the scheme during the current year. The expenditure will be met out of the lump sum provision for grant of play-grounds.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION
